Mission Statement

Arizona’s Catholic Tuition Support Organization supports educational excellence in private schools with tuition assistance to K-12 students. Scholarship awards are possible thanks to funds generated by the Arizona tax credit programs.

Vision

Education will be available, accessible, and affordable to children who want the opportunity to attend a private school.

- Fundraising Cost: $409,145  
- Administrative Cost: $152,566

CTSO Annual Audit was conducted by BeachFleischman, CPA

“As a new board member, I was most impressed with how well CTSO operates. The organization is extremely lean, so 95% of every dollar it receives goes to tuition assistance. CTSO is the most efficient way to help the educational system for our children. “— Jake Kagele

WHAT OUR SCHOOLS HAVE TO SAY

All Saints Catholic School

All Saints Catholic School has provided a quality Catholic Education to the Sierra Vista community since 1999 and promotes a holistic development of the child by serving the mission of the Roman Catholic Church. We foster spiritual development, academic excellence, integrity, responsibility to self, gratitude, perseverance, and service to others. We believe that faith family, social growth, and academic excellent are the foundation upon which we build our world’s future. Our teaching staff is Arizona Department of Education Certified and dedicated to providing students with a high-quality education.

Salpointe Catholic High School

Salpointe Catholic is proud to partner with CTSO in making our holistic, college-prep education accessible to students throughout Southern Arizona.

Almost 600 Lancers qualify for corporate tax credit funding, the highest number of any school in Arizona!

Salpointe’s Carmelite tradition of prayer, community and service is changing lives and we are grateful to the thousands of tax credit participants for making our students’ dreams a reality.

“My mother is a single parent, and I see how much she struggles to give us the necessities in life. If it wasn’t for the scholarship, I receive from CTSO, St. Augustine High School wouldn’t be an option for me. All I can say is, thank you, to all those who help make my scholarship possible.” — Karime
Dear Friend,

Thank you for your continued investment in Arizona’s Catholic Tuition Support Organization (CTSO). CTSO is a vital part of the funding for our Catholic schools. Without your support, many of our families would not have the opportunity to attend a private Catholic school. With your help, we continue to provide countless families the opportunity to pursue quality education rooted in accountability and moral-based values.

You receive the benefit of a tax credit and the satisfaction of knowing that you have helped families meet their school tuition obligation. Together, we are changing the lives of families who may live in an economically challenged environment in which few opportunities are available. Your tax credit donation has been a blessing upon our school families. I hope we can count on you again, especially this year when there is much more need than in the past.

– Most Rev. Edward J. Weisenburger, Bishop of Tucson

Thank you for your invaluable support of the works of Arizona’s Catholic Tuition Support Organization (CTSO).
